iOS Crypto App Template

Thank you for your purchase! We're excited to have you use our [iOS Crypto App product](#). As part of your purchase, we've included the complete source code, so that you can use it however you want within the terms of the [license](#).

Get started

[Documentation](#) - To get everything up and running, follow the documentation
[Sketch Project](#) - Download the Sketch project if you have/are a designer and want to make design changes
[Firebase Documentation](#) - Follow this to learn how to support user registrations & user management with your own Firebase Auth account.
[Backend documentation](#) - Learn how to integrate your own financial backend APIs
[Push Notifications](#) - Follow this step-by-step tutorial to enable push notifications with Apple Store & Firebase
[Contact us](#) if you run into any setup issues or any have questions about the template, license or source code. My personal e-mail address is florian.mrc@gmail.com, just in case. :)

Thank you,
Florian
